The candidates should note that the given snapshots are intended to give qualified candidates a fair idea of where they stand at present. This is only tentative. It does not indicate any category, but has been drawn on the basis of the qualifying marks in the NEET PG Medical/Dental Entrance Test-2017. The candidate cannot claim any benefit on the above details which are intended to give him/her an idea only. The selection shall be made purely on the basis of final merit as may emerge after receipt of all the documents along with the preferences of the candidates for the discipline / institution. The detailed counseling guidelines shall be notified separately.
